Tandem Bollard

Tandem Family Aluminum Bollard

FIXTURE TYPE: _____

PROJECT NAME: _____

Shown with 3rd party luminaire mounting option.

Aluminum traffic bollard with wood accent panels.

FEATURES:

- Designed to coincide with the Tandem light poles
- Available with wood or painted aluminum accent panels
- Easily customizable for duplex receptacle and step light mounting
- Concealed mounting hardware

Shown with GFCI receptacle option and in-use cover.

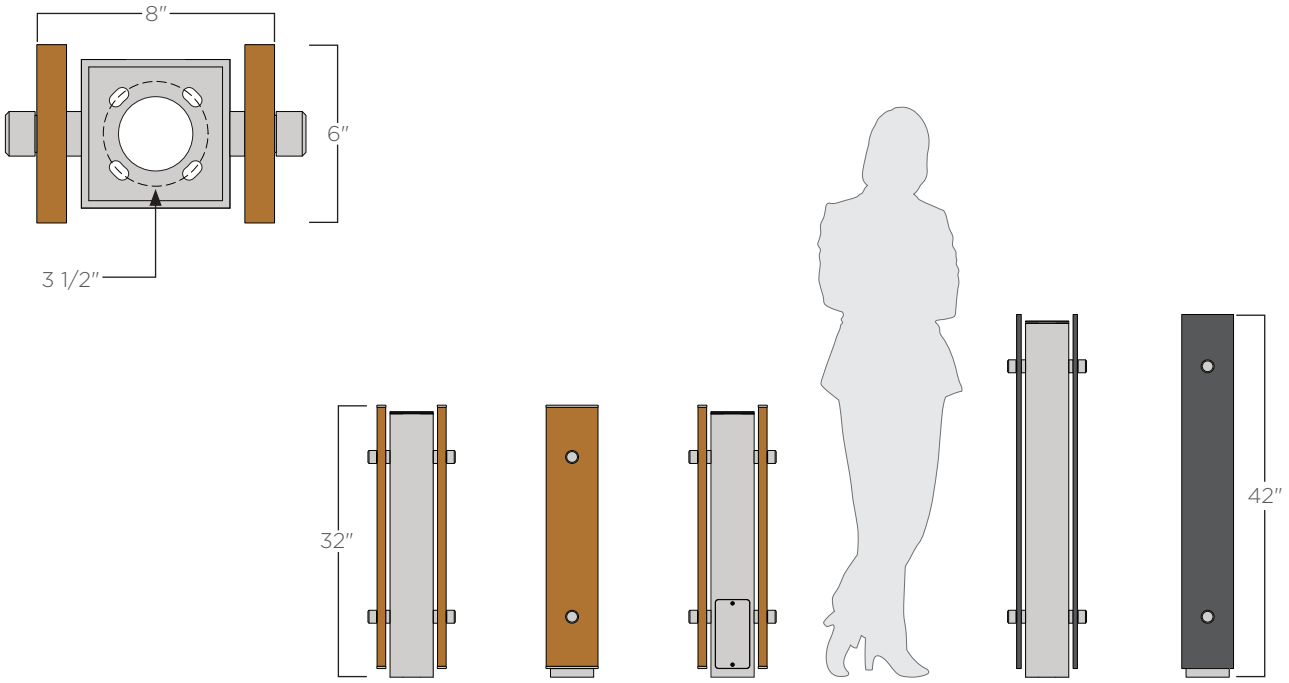

SPECIFICATIONS:

CONSTRUCTION: Aluminum housing comprised of 6061-T6 extrusion with 6061-T6 baseplate and web plates. Handhole access on back and top of bollard.

FINISHES AND MATERIALS: All exterior aluminum parts are polyester powder coat painted to AAMA-2604 standards. Wood accent panels are finished with a low VOC waterborne matte exterior finish containing UV and mildew inhibitors. Care and Maintenance

HARDWARE: All luminaire hardware is stainless steel. Anchor bolt kit is hot dipped galvanized.
