

FIXTURE TYPE: \_\_\_\_\_

PROJECT NAME: \_\_\_\_\_

## SPECIFICATIONS:

**CONSTRUCTION:** Aluminum housing comprised of 6005A-T61 extrusion body with 6061-T6 extrusion arm and 6061-T6 gasketed handhole covers.

**ELECTRICAL:** Integral Class P, 120-277V, dimmable constant current driver. Luminaire is pre-wired with watertight 5 conductor 18 gauge SJEOOW whip. 10kA surge suppression is standard with optional external 20kA surge suppression. Operating temperature of -40°C to 50°C.

**OPTICAL SYSTEM:** LED boards have solderless connections for field upgradability. Available in CCT of 2700, 3000, 3500, 4000K, and amber at >80 CRI. Optics are UV resistant molded PMMA in Type III, IV<sup>(S)</sup>, and V distributions. Consult factory for additional lumen output, CCT, and optical distribution options.

**CONTROLS:** Dimming through 0-10V input is standard. Available with integral motion sensor/photocell providing on/off and full light to dim control and 5-pin or 7-pin receptacle.

**FINISHES:** All exterior aluminum parts are polyester powder coat painted to meet AAMA 2604 standards. See Structura's finish options for available colors. [Care and Maintenance](#)

**LISTINGS & RATINGS:** Luminaire CSA listed according to CSA C22.2 No. 250.0-18/UL Standard 1598. Suitable for wet locations. LM-80 test reported L70 > 90,000 hours and calculated L70 > 110,000 hours.

**WARRANTY:** 5-year warranty on LED and drivers.

1. Lumen output based upon Type III distribution.  
 2. Contact factory for alternative output, CCT, or distribution options.  
 3. Structura pole specification sheet must be completed showing mounting locations and quantities as a separate item.  
 4. Specify steel pole on page 120 as a separate item.  
 5. Specify coverage pattern (see page 119 for detail). Requires wireless handheld configuration tool.

FIXTURE TYPE: \_\_\_\_\_

PROJECT NAME: \_\_\_\_\_

### FEATURES:

- Heights available from 10 to 40'
- Polyester powder coat painted (AAMA 2604 standard)
- Supplied with a two piece casted aluminum base cover
- Multiple mounting options

#### Fixture Orientation
